

Reece Keator

5980 Lake Wylie Rd | (832) 623-4317 | reecekeator@gmail.com

Summary

Enthusiastic and detail-oriented Computer Science major at the University of South Carolina with foundational knowledge in programming, algorithmic design, and Unix/Linux systems. Adept in Java and passionate about developing efficient and innovative solutions. Known for a strong work ethic, problem-solving abilities, and commitment to continuous learning.

Education

Bachelor of Science in Computer Science

University of South Carolina, Columbia, SC

- **Relevant Coursework:** Algorithmic Design I & II, Unix/Linux Systems, Professional Issues in Computer Science and Engineering
 - **Skills:** Java, Unix/Linux, HTML/CSS, Problem-Solving, Communication, and Collaboration
-

Projects

1. Portfolio Website

Created a personal portfolio website using HTML, CSS, and JavaScript to display projects, skills, and educational background. The site showcases understanding of web development basics and frontend design principles.

2. Project Management Problem

Developed a Java-based solution to a complex project management problem, simulating real-world management tasks and optimization strategies. This project highlighted skills in algorithmic design and Java programming to streamline task scheduling and improve efficiency.

Skills

- **Programming Languages:** Java, HTML, CSS
- **Technical Knowledge:** Unix/Linux Systems, Algorithm Design
- **Soft Skills:** Problem Solving, Team Collaboration, Professional Communication
